**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Every time I've used a major carrier, whether for cell service or cable, they abuse me. They do not offer support or they make it exceedingly difficult to acquire. They force onerous termination fees (by many names) and contract provisions on me, often through fraud and misrepresentation in advertising. Telecom needs MUCH more competition, because consumers literally have no quality options. Please don't make this even worse.
